It is recommended that the potential buyer first visit the location with the broker to meet the owner and tour the establishment. The potential buyer should talk to the owner about the business potential and sales. The buyer is advised that should he or she visit the business without a representative of Altman Business Solutions, LLC and/or talk –in person or by any other form of communication- to the owner or any other entity within or on the premises of this disclosed business then this could and will be considered a breach in the non-disclosure agreement.
